**PER SR. MASTER SEREFF:**

“There will be no test or level up at this course, but lots of practice for all. We will be looking for USTF Referees that we will be using for the USTF International Championship. We also need help at the color belt event the same weekend and will plan on putting all USTF Referees to work! Please bring a sack lunch because we will only take a 45 min. lunch. This leaves more time to practice.”
